

## Carnival notes 2013

1. This timeline is written as though the carnival is taking place in March, which was the original date, not May as it has been for the last couple of years.
2. Candy was purchased in the bulk section of Winco. They gave us a 10% discount for buying large quantities. Last year 10 lbs. of candy was purchased and this was too much. Consider buying 7-8 lbs.
3. Only purchased one type of wristband because it doesn't matter if they are presale or not, they receive the same services once entering carnival. Last year required more than one box for presale and if you want to color code presale vs. at the door sales. it will be wasteful as you will need two boxes of presale bands and use very little of the second box.
4. Boxes for candy and prizes obtained by kitchen at Riverview a couple of weeks before carnival. Arrange with Tracy (janitorial services) to save boxes. 15-20 should be enough
5. All additional prizes were purchased through [orientaltrading.com](http://orientaltrading.com) reasonably priced and efficient.
6. Generator was borrowed by Clint Fassold for the bounce houses, but by changing the date of carnival, lights are not needed.
7. Need money boxes for admissions and pizza sales
8. Tarp needed for under spirit wear for the hair and duck pond.
9. Need long extension phone cord to reach from desk to admissions table for credit card machine.
10. Set up: each game gets one table. Then one table between each game for candy and prizes.
11. Consider using Parties Inc. for ALL games and bounce houses. #360-885-7549 They will come in and do all set up and clean up, including carnival booths. This does increase the cost, but significantly reduces the need for carnival volunteers.
